

Award-winning ice cream & sorbet handcrafted by chefs

Great ingredients mean everything to us. That's why we always use the freshest, most local and seasonal ones we can find. We never add artificial flavourings, stabilisers or additives.

Every luxurious scoop is handmade by me or a chef from my small team in our West Sussex kitchen.

We hope you love our real, honest ice cream and sorbets as much as the Great Taste Awards do.

Dan Clarke, Chef Director
